

Human Dimensions Working Session (Workshop)

Bison Restoration and Management: Where
do we go from here?

Identifying Challenges and Solutions

Why a Working Session?

- Consider the issues identified earlier today
- We must begin addressing human dimensions issues as a larger group
- Many resource and wildlife management efforts struggle and sometimes fail under the weight of public opposition

Joep

Workshop

- Questions from PWN and LHF
- Work together to identify biggest challenges
- Work together to identify possible solutions
- We commit to relaying the results of the workshop back to you
- We must all commit to working toward implementing the solutions identified

Workshop Specifics

- Assigned to groups
- Choose a spokesperson during excursion
- Return to this room directly following the excursion
- Prepare to discuss Challenges and Solutions
- Bring your thinking hats!!!
